Weekly Activities Report #30 - 22 - 26 July 1968

1. Seminar on Non-Official Cover

The second in a series of short seminars sponsored by the FI Staff was devoted to the pros and cons of non-official cover. [REDACTED] the OTR representative at the 22/23 July conference, is preparing a separate memorandum on the seminar, which, like the first one on liaison, generated a good deal of lively discussion.
